Ref No. AITAA-2017-039

7 November 2017

To All AITAA National Chapters

**Subject: Letter of Appreciation for your participation at the 46th AITAA Governing Board Meeting
3-6 November 2017, Taiwan**

Dear AITAA National Chapters,

Greetings from AITAA Headquarters!

On behalf of the AITAA Executive Committee, I would like to take this opportunity to express our heartfelt gratitude to all our fellow alumni for your commitment and active participation at the 46th AITAA Governing Board Meeting (GBM) from 3-6 November 2017 in Taiwan. I believed we learned a lot from this meeting through sharing of your chapter reports, open discussion between alumni and AIT administration representatives and the technical workshop, including the cultural activities. We, at the Headquarters, will be sharing with you the highlights of the meeting in the weeks to come. This event, as we all know, also allows us to reconnect with our fellow alumni as well as provides a platform to expand our network with other partners and sponsors of AITAA Taiwan (R.O.C.) Chapter. Some of you, because of unavoidable circumstances, were not able to join us personally but you have been actively engaged in the process by sending your chapter representatives and by other means such as sending your suggestions and feedback through emails. I sincerely appreciate all these gestures and kind support from all of you. We hope to continue these values and strong commitment in many years to come.

Thank you also for sending your nominees for Distinguished Alumni and Honorary Member Awardees. The Governing Board conferred 16 Distinguished Alumni Awards and one Honorary Member at its meeting. Our congratulations to all the awardees and may they continue to strive their best for the betterment of AITAA and AIT.

The 46th GBM in Taiwan is historical for us as alumni body, being the biggest and most attended GBM in AITAA's history, having more than 300 alumni delegates and affiliates from 20 National Chapters participated in this event from Australia, Bangladesh, Bhutan, Cambodia, Hong Kong/Macau, India, Indonesia, Korea, Lao PDR, Malaysia, Myanmar, Nepal, Pakistan, Philippines, Singapore, Sri Lanka, Taiwan, Thailand, USA and Viet Nam including the AITAA Headquarters in Thailand. I am also very much encouraged to see our senior alumni from Singapore and Hong Kong/Macau Chapters whom we have lost connection for some time. I look forward to see the re-activation of these chapters to be led by the senior alumni representing these Chapters at this GBM

AITAA Vision: a global entity whose members are proud to be associated with AIT to share their values and experiences through AITAA's global network
